Herewith we transfer the approval as "BMW Longlife-04" oil, given for the product  
, to your reblend engine oil code "P12", SAE 5W-30. Consequently it is approved  
according to our approval procedure (5<sup>th</sup> Issue June 2006) for the usage in BMW engines  
operating in compliance with our operating fluids manual.

This confirmation is valid for two years beginning with the date of this letter. Prolongations for  
additional two years have to be requested in good time.

Engine oils produced using the code or brand names mentioned in this letter of confirmation  
have to comply with the tested oil sample in every respect. Any proposed alteration or  
modification to the lubricant is to be supplied in writing to the BMW departments "Entwicklung  
Antrieb" and "Sparte Labor" whereby a new approval may be granted.

Publication will ensue in the BMW Operating Fluids Manual as follows:
